## Block 37

**Block Stats**

- Strip piecing
- Trimming Template

### Materials and Cutting for 8" Equilateral Triangle

- **Black:** 3 strips 1½" x 8"
- **Green:** 3 strips 1½" x 8"
  2 strips 1" x 12"
  1 strip 2½" x 12"
  1 rectangle 4" x 5"
- **Equilateral Trimming Template**

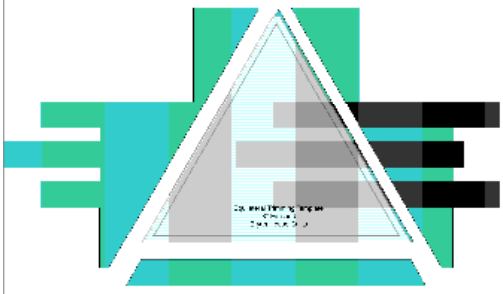
## PIECING

**1.** Sew the black and green 1½" x 8" strips together into three pairs. Press the seams toward the dark side.

**2.** Lay out the block components as shown in the diagram. While keeping the green strips centered, play with the alignment of the black lines within the block by shifting the green and black pairs left or right.

**3.** Sew the pieces together. Press the seams as desired.

**4.** Trace the Equilateral Trimming Template with a fabric marking pen and cut along the traced lines.



**Sizing Options**

| | 4" equilateral triangle | 16" equilateral triangle |
|---|---|---|
| **Black** | 3 rectangles 1" x 4' | 3 strips 2½" x 16" |
| **Green** | 3 rectangles 1" x 4" | 3 strips 2½" x 16" |
| | 2 rectangles ¾" x 6" | 2 strips 1½" x 20" |
| | 1 rectangle 2" x 7" | 1 rectangle 4" x 22" |
| | 1 rectangle 3" x 4" | 1 rectangle 8" x 9" |
| **Trimming Template** | 4" Equilateral Trimming Template | 16" Equilateral Trimming Template |

# Block 38

**Block Stats**

- Strip piecing
- Trimming Template

## Materials and Cutting for 8" Equilateral Triangle

- **Pink:** 4 strips 1" x 7"
- **Peach:** 4 strips 1" x 7"
- **Green:** 8 strips 1" x 7"
  1 strip 2" x 12"
  1 rectangle 5" x 6"
- **Equilateral Trimming Template**

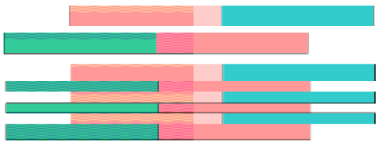
## PIECING

**1.** Sew a green strip onto each of the 4 pink strips and 4 peach strips. Press the seams toward the green.

**2.** Lay out the green-pink strips and green-peach strips in alternating directions as shown in the di

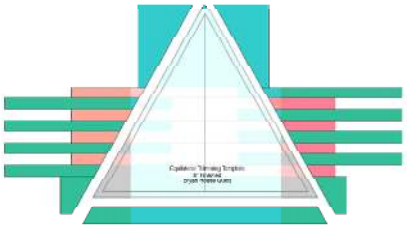
**3.** Play with staggering the strips. I chose a 3" stagger. You could play with the size of the stagger or create a graduated stagger.

**4.** Sew the green-pink and green-peach strip sets together to create a strip stack. Press the seams open.



**5.** Sew the 2" x 12" green strip on the bottom of the strip stack and sew the 4" x 5" green rectangle on the top. Press the seams toward the green.

**6.** Trace the Equilateral Trimming Template with a fabric marking pen and cut along the traced lines



**Sizing Options**

| | 4" equilateral triangle | 16" equilateral triangle |
|---|---|---|
| **Pink** | 2* strips 1" x 5" | 4 rectangles 1½" x 13" |
| **Peach** | 2* strips 1" x 5" | 4 rectangles 1½" x 13" |
| **Green** | 4* strips 1" x 5" | 8 rectangles 1½" x 13" |
| | 1 strip 2" x 7" | 1 strip 3½" x 22" |
| | 1 rectangle 3" x 7" | 1 rectangle 8" x 9" |
| **Trimming Template** | 4" Equilateral Trimming Template | 16" Equilateral Trimming Template |

**Note: To make piecing more manageable, we'll do less rectangles in lieu of using narrower strips.*

## Block 39

**Block Stats**

- Appliqué
- Trimming Template

### Materials and Cutting for 8" Equilateral Triangle

- **Light Peach:** 1 equilateral 8 1/2" triangle
- **Turquoise:** 1 Large Organic Teardrop (page 36)
- **Mustard:** 1 Small Organic Teardrop (page 36)
- **Thread:** coordinating thread
- **Equilateral Trimming Template**

## PIECING

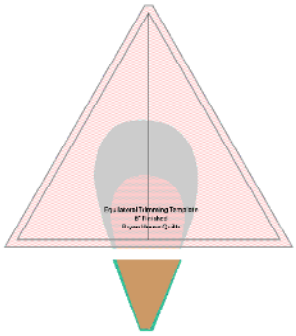
**1.** Lay out the teardrop pieces on the light peach equilateral triangle. Play with the placement of the teardrop shapes within the triangle.

Below are a few ideas.

**2.** Once you've decided where you want the teardrops to be placed, appliqué them in place on the peach equilateral triangle using your favorite appliqué method.

**3.** If necessary, trace around the Equilateral Trimming Template with a fabric marking pen and cut along the traced lines.

**Placement Ideas**



## BLOCK OPTIONS

To make a 4" version, cut a 4½" equilateral triangle. Reduce the Organic Teardrop shapes by 50%.

To make a 16" version, cut a 16½" equilateral triangle. Enlarge the Organic Teardrop shapes by 200%.

## Block 40

**Block Stats**

- Appliqué
- Trimming Template

### Materials and Cutting for 8" Equilateral Triangle

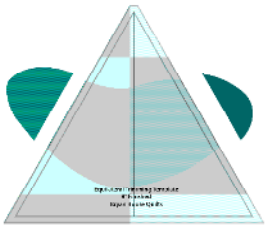
- **Light Green:** 1 equilateral 8 1/2" triangle
- **Dark Green:** 1 Organic Kidney Bean (page 37)
- **(Optional) Floral:** 1 Small Organic Blob (page 37)
- **Thread:** coordinating thread
- **Equilateral Trimming Template**

## PIECING

**1.** Lay out the pieces on the light green equilateral triangle. Play with the placement of the shapes within the triangle.

**2.** Once you've decided where you want the shapes to be, appliqué them in place on the light green equilateral triangle using your favorite appliqué method.

**3.** If necessary, trace around the Equilateral Trimming Template with a fabric marking pen and cut along the traced lines.



**VARIATION**

Instead of cutting off the shape within the triangle, first piece the Light Green Triangle into the quilt block.

Then complete Steps 1 and 2 under "Piecing".

**Block 40 Variation**

## BLOCK OPTIONS

To make a 4" version, cut a 4½" equilateral triangle. Reduce the pattern shapes by 50%.

To make a 16" version, cut a 16½" equilateral triangle. Enlarge the pattern shapes by 200%.

## Block 41

**Block Stats**

- Appliqué
- Trimming Template

### Materials and Cutting for 8" Equilateral Triangle

- **Orange:** 1 equilateral 8 1/2" triangle
- **Light Peach:** 1 Organic Kidney Bean (page XX)
- **(Optional) Prints:** 1 Small Organic Blob (page XX)
- **Thread:** coordinating thread
- **Equilateral Trimming Template**

## PIECING

**1.** Lay out the pieces on the light green equilateral triangle. Play with the placement of the shapes within the triangle.

**2.** Once you've decided where you want the shapes to be, applique them in place on the light green equilateral triangle using your favorite applique method.

**3.** If necessary, trace around the Equilateral Trimming Template with a fabric marking pen and cut along the traced lines.

**VARIATION**

Instead of cutting off the shape within the triangle, first piece the Light Green Triangle into the quilt block.

Then complete Steps 1 and 2 under "Piecing".

**Block 41 Variation**

## BLOCK OPTIONS

To make a 4" version, cut a 4½" equilateral triangle. Reduce the pattern shapes by 50%.

To make a 16" version, cut a 16½" equilateral triangle. Enlarge the pattern shapes by 200%.
